Good Afternoon Lorena,

The current policy expires on 10/3/2017. I can see if the carrier can release the 17/18 quote early. If they do, we would need to collect the full premium early so we can issue a certificate.

Please check with your contact person at the Port of LA to see if they will accept the additional certificate covering the period of 10/3/17 - 10/3/18?

Please contact our office should you have any further questions.

Thank you,

Hi Lorena,

RE: FW: Purchase Requisition 40288 has been rej...

Thank you for the previous email with the log of trolley hours. That should be helpful in approving the first invoice. We are now experiencing an issue with the second invoice. Risk Management has rejected it due to insurance not covering the entire dates of sponsorship. Please have your insurance agent extend the insurance through 11/8/17 (to match the attached invoice).

Thank you,

Jessica
